FWPA Call for Postgraduate Scholarship Applications

Forest and Wood Products Australia, a newly created industry services body invites applications for scholarships to support Australian Citizens or Permanent Residents full-time study towards postgraduate research degrees tenable at Australian Universities commencing in 2009

FWPA scholarships are awarded for research contributing to nominated priority areas of interest to Australian forest based industries. The scholarships are awarded for a maximum of three years and consist of an annual stipend of up to \$25,000 together with a research support grant of \$5,000 per annum.

Requirements

Scholarship recipients must possess a minimum of a second-class honors degree and meet all admission requirements of the host academic institution.

Completed proposals (2 pages maximum – no set format) under the name of proposed principal research supervisor should be sent to the FWPA at the address listed below.

Proposals will be assessed in relation to relevance to current FWPA research programs. Strong preference will be accorded to areas of study with demonstrated industry support and collaboration.

Closing date is Friday 6 February 2009.

Information regarding current FWPA projects and programs can be obtained from the FWPA website (www.fwpa.com.au) or by contacting Sarah Humphrey.
